

PITT AICHE

1ST ANNUAL CAREER FAIR

The University of Pittsburgh Swanson School of Engineering American Institute of Chemical Engineers student chapter invites you to participate in their first ever student run career fair. This fair provides all undergraduate and graduate chemical engineering students an

opportunity to network with employers and learn more about co-op, internship and full time opportunities.

Our award winning curriculum is among the most innovative in the world. We hope you will join us and come meet our many talented and qualified young chemical engineers while you network, recruit and meet the best of what Pitt has to offer.

To register contact us at PittAiChE@gmail.com or 724.301.9399. Deadline to register is November 7th. All registered employers will receive a table, parking validation for two, and a copy of the AICHE resume book.

**Pitt AICHE represents
over 500 chemical and
petroleum engineering
students**

REGISTER TODAY!
